

Pat Roberts Listening Tour Announced

U.S. Senator Pat Roberts announces "listening tour" of Kansas

Unique opportunity to question him on No Child Left Behind!

U.S. Senator Pat Roberts today announced the schedule for his annual August listening tour of town hall meetings and events. Senator Roberts will hold 33 town hall meetings across the state.

These 33 meetings represent an excellent opportunity for public school employees and supporters to question the Senator on his support for making improvements to the so-called No Child Left Behind Act.

Already, Kansas Representatives Jerry Moran, Dennis Moore, and Nancy Boyda have sponsored legislation in support a positive agenda for change as Congress works on reauthorizing the act. Senator Roberts' positions on the reauthorization have not been made clear as of yet.
